NOTE from person who updates the website: The score sent to me via email and the score posted at IEJAAF is different for the following games. (I do not get a copy of the official document, so I can only go by what I get.) I would think it affects the Points For/Against. But what do I know, I'm just a mom.

Sept 26: JPW vs Summit. Email said 13-40; IEJAAF says 12-40

Oct 17: PW 1 vs Bloomington. Email said 24-0; IEJAAF says 32-0
